

Agency Performance Information

Steps to Update the Management Scorecard

The Scorecard Consists of Objectives in the Following Areas:

- Human Resource Management
- Government Procurement
- Financial Management
- Technology
- Performance Management

Guidelines for Updates:

- Agency Heads complete scorecard ratings using appropriate documents and statistics. Note: An Excel spreadsheet is available online for use as a worksheet (DRAFT ONLY) if desired prior to posting final results online.
- Secretaries & Agency Heads discuss the scores as needed.
- Agency Heads will revise the self-assessment accordingly and post approved results on the scorecard website (web-enabled password required).
- Please be sure to include an explanation for each rating (strengths and/or weaknesses).
- Final entries to the website should occur by August 27.
- All ratings & explanations need to be accurate and verifiable using published documents and statistics.
