

Web Cast Description:

The webcast will share information on how the Virginia Board for People with Disabilities has targeted its grant process to explore an innovative idea of enhancing employment opportunities into state employment. Additionally, the webcast will discuss how the Virginia Department of Human Resource Management has resources for state agencies to help them implement the Governor's Executive Directive.

Information on how the webcast works:

- Webcasts are live video presentations over the Internet, viewed on your computer.
- The webcast takes place on the specified day at 2:00 to 2:45 p.m. E.T.
- The presentation will be followed by a live 30 minute chat room session where questions may be asked of the presenters.
- A computer with Internet connection and RealPlayer, which is a free software program, are required.
- Tech support is available to provide technical assistance and answer your questions via phone and e-mail.
- Registrants receive an email reminder prior to the webcast.
